Effortless Island Living

This remarkable Honolulu condominium fosters a lifestyle where balance, harmony and connection are not nice-to-haves, but must-haves. When you live at The Park Ward Village, ample green space, the beach, a boat harbor, unique boutiques, globally inspired restaurants, quaint cafes and essential services are all within walking distance. City conveniences and small town comforts; modern interiors and stunning vistas; and club-style amenities for privacy, leisure and entertainment await.

The Park Ward Village

The design of The Park Ward Village was inspired by the mid-century architecture of Hawai'i's past. The architects, as well as the interior and landscape designers, carefully considered the relationship between the building and the environment. Floor-to-ceiling windows will welcome the beauty of Hawai'i into your home, while nostalgic comforts are modernized and embrace the urban-island lifestyle. Open concept living areas allow you to customize spaces to suit your needs. The result? A home that is both gracefully functional and elegantly refined.
